

If you are a national of Afghanistan, Eritrea, Libya, Syria or Yemen who submitted a claim for asylum before 28 June 2022 and currently live in Southwark, you may be contacted by the Home Office asking you to complete an Asylum Claim Questionnaire.

It is very important that you complete this form and return it back to the Home Office as soon as possible. Please be aware that it may be possible to apply to the Home Office for an extension on the deadline. You should contact your legal representative if you have one.

If you are struggling to access legal help to complete the questionnaire or you are worried because you have not yet received the Questionnaire please contact **Citizens Advice Southwark** using the details below:
